

Global Challenge (GC) Health and Safety Policy

GC will carry out all its activities in a safe and secure manner.

GC will carry out a Risk Assessment for all activities where such an assessment is not already in place.

GC will reduce or eliminate identified risks in accordance with the control measures stated on the Risk Assessment

GC has Safeguarding and Data Protection policies in place

In the UK, activities could include:

- fundraising events, such as concerts, film nights, 'jam' sessions in pubs, sponsored activities such as runs or cycle rides, pamper evenings, fetes and fun days, safari suppers, quiz nights etc.
- information events, usually held in Queens Rd Baptist Church or a school
- Trustee and Volunteer meetings
- Presentations to schools and other interested groups

In Uganda, activities include:

- Team visits from the UK, involving travel, church visits, meetings, hotel stays, eating and hygiene, visits to families, school visits, visiting people who are unwell or who have disabilities.
- Implementation of GC's work by employees and volunteers
